

(Doctor, Don't Leave Me) Hanging On The Telephone! The Amazon's Remix -- 6/16/11

I'm on my cell phone and I'm waiting down the hall
If you don't answer, I'll just ring it off the wall
I need those path results so I just had to call

Don't leave me hanging on the telephone
Don't leave me hanging on the telephone

I heard the lab tech now she's running out the door
And your pathologist just wanted to be sure
And all those things he found I know I can't ignore

Oh why can't we talk again
Oh we need to talk again
Oh we've got to talk again

Don't leave me hanging on the telephone
Don't leave me hanging on the telephone

I need to hear your voice, I've waited for so long
If I don't get your call then everything goes wrong
I know you'll tell me something I've known all along
Don't leave me hanging on the telephone

I had to interrupt and stop this conversation
Bad news across the line gives me a sick sensation
I need to talk when I'm not choked up with emotion

Oh I can't control myself
Oh I can't control myself
Oh I can't control myself
Don't leave me hanging on the telephone
Hang up and let me cry

Whoah, hang up and let me cry
Oh, no, hang up and let me cry
Whoa-oh-ooooh! Hang up and let me cry
Whoah, hang up and let me cry...
