

# Stayin' Alive -- The Amazon's Remix -- 3/29/11

Well you can tell  
by the way I use my walk  
I'm an Amazon,  
no time to talk.  
Treatment harsh & fear untamed,  
I've been kicked around  
since cancer came.

And now it's not all right, it's not ok  
and you may look the other way  
or you can try to understand  
A cure is what we must demand.

(chorus)

Whether you're a brother  
or whether you're a mother  
you're stayin' alive, stayin' alive.

Too many are dyin'  
while the rest of us are tryin'  
to be stayin' alive, stayin' alive.

Ah, ha, ha, ha, stayin' alive, stayin' alive  
Ah, ha, ha, ha, stayin' alive.

Well now I get low and I get high  
And if I can't get either, I really try  
to live each moment, embrace each day,  
so I don't get down & lose my way.

You know it's all right, it's ok,  
I'll live to see another day.  
But we must try to understand  
A cure is what we all demand.

(chorus)

It might recur here,  
It might spread somewhere,  
Somebody help me, yeah.

Don't want it nowhere,  
somebody cure me,  
Somebody help me, yeah.

Well, I can tell  
by the way you talk the talk  
You've been down this road,  
you've walked the walk.  
I know you feel like the future's gray  
When you just don't know  
if you'll be all okay.

But now it's all right, it's ok  
'Cause I won't look the other way,  
'cause we can make them understand  
a cure is what we all demand.

(chorus)

We're going nowhere  
somebody help us,  
somebody find a cure.

It must be somewhere  
There's gotta be a cure.

We're getting nowhere  
somebody help us,  
somebody find a cure.

It must be somewhere  
There's gotta be a cure.
